YOUR CELEBRATION BEGINS HERE

*Not just a wedding,
a celebration journey.*

Not just a wedding day – the most beautiful chapter of your love story.

Some moments are so precious they deserve more than a single day. Your wedding, and everything that surrounds it, deserves time to unfold slowly and sweetly, from the nervous excitement of the morning before to the blissful stillness of the morning after, when you wake up as a married couple for the very first time.

Nestled among rolling vineyards and overlooking beautifully manicured fairways, the award-winning Château Élan at The Vintage is one of Australia's most beloved wedding destinations. A place where breathtaking natural beauty meets the kind of warm, attentive hospitality that makes every guest feel like the most important person in the room.

Here, your love story unfolds across an entire, seamless journey. Luxurious onsite accommodation means your favourite people never have to rush away. An award-winning Spa invites you to arrive at your ceremony glowing and serene. And when the last dance is over and the fairy lights dim, your honeymoon begins – not with a flight or a transfer, but simply by closing the door of your beautiful Spa Suite and breathing it all in together.

Everything you need for your celebration can unfold in one place. From engagement dinners, bridal showers, rehearsal evenings, the ceremony and reception, a relaxed recovery brunch, to the beginning of your honeymoon, all brought together seamlessly in a setting designed for it. Your vision leads the way, and we're here to provide everything you need to make the journey truly special.

Just 2 hours north of Sydney and 45 minutes from Newcastle Airport, Château Élan is where love stories become legendary.

WORDS FROM THE HEART

Cherished moments, Shared by our Couples.

LUCIE & ALEX

The staff at Chateau Elan truly exceeded our expectations in every way possible. They meticulously ensured that every detail of our special day was executed as we envisioned. From assisting with the setup to making sure that all arrangements were in place, their dedication allowed us to relax and fully enjoy the moment. Their attentiveness and professionalism provided us with peace of mind, making our experience even more memorable. We are incredibly grateful for their support and expertise throughout the day.

MADDIE & JUSTIN

The set up and staff were flawless, and the food was absolutely unreal. It is a perfect space for a decent sized wedding - the heaters were really great, we had people out on the terrace overlooking the golf course even in winter! The Carriage House at Chateau Elan is magical, and truly offered the most beautiful ceremony location that we've ever seen. It was something out of a fairy tale.

EMILY & JOSHUA

The Chapel at Chateau Elan was absolutely perfect. They were able to organise an external vendor to come in and offer a theming package, this was really helpful as we didnt have to manage an additional vendor and could relax knowing it was all organised for us. Since my wedding was in winter, the heating in the chapel was perfect to keep everyone toasty. The chapel was so picturesque and was absolutely beautiful. My husband and I had the wedding of our dreams, thanks to the team at Chateau Elan!
